Events & Catering

Harvest Café & Store is available
for private functions.

Our contemporarily designed indoor area
spills out onto expanses of green parklands
allowing guests to mingle under the skies
with soft grass underfoot.

Our head chef creates perfect menus
to suit the occasion and our staff
deliver professional service.

For us it's all about positive collaboration
to create wonderful experiences.

Harvest Café & Store is where locals and visitors come to savour the best of locally produced food and beverages. Our vibrant menus change each season to reflect and capture the broad range of crops and produce being harvested throughout the Central Tablelands.

Located next to the Bathurst Visitors Information Centre overlooking expansive, green parklands, it's easy to relax and refresh in contemporary surroundings with delicious food and engaging company.

Whether you're a local meeting up with friends, a traveller passing through, a worker needing a quick coffee and snack, or someone wanting a stylish evening function venue, Harvest Café & Store welcomes everyone.
